Florida Institute of Technology will be attending the following college fairs in Florida this fall. This is a great way to receive information about not only Florida Tech, but the other colleges that are in attendance as well. These fairs are open to the public. Topics you can discuss are:

- Admission to Florida Tech
- Financial Aid
- Housing
- Student Life
- Athletics
- Anything else you would like to talk about

College fairs are set up in an open format so you can stop by our table to talk to us about Florida Tech anytime during the fair hours. Below is a list of the dates, times and locations of college fairs being held in Florida this fall.
